We announce you that there is revision on the FAQ.

#### 【Previous ver.】

Q3: Please explain the relationship between Tenure-track Type and the LEADER system of MEXT.

A: Kyoto University will recruit researchers into the Hakubi Project by utilizing the LEADER system of MEXT. For example, the Hakubi Center expert committee will conduct screenings to select “Excellent Young Researcher (EYR)” candidates from those who apply for a post in the list of Tenure-track Type positions available at the Hakubi Project during the employment negotiation period of the LEADER system of MEXT. Please see the webpage of MEXT for more details for the LEADER system ([http://www.mext.go.jp/a\\_menu/jinzai/takuetsu/index.htm](http://www.mext.go.jp/a_menu/jinzai/takuetsu/index.htm)) .
