

**Kyoto University Hakubi Project to Foster and Support Early-Career Researchers
Call for Applications for research positions in the Global Category
Applicant Registration and Proposal Preparation Instructions**

1. Applicant Registration

***If any false declarations are discovered in the applicant's submission, the application may not be considered for screening and employment will be rescinded.**

(1) Email address and password

After registering as an applicant, you will need an e-mail address and password to log in to the applicant registration site. Please provide the e-mail address which can be reached throughout the screening period. If you forget your e-mail address, you must re-register.

(2) Name (Family name(s)/Given name(s))

Please enter your name carefully and consistently. If your name is written in Chinese characters, please write them in the name field reserved for Chinese characters.

If your name as a researcher differs from your name in your family register, please register using the name as it appears in your papers.

When a person whose name as a researcher differs from his/her name in the family register comes for an interview, he/she needs to bring an identity card that shows both names to the interview venue. (e.g. driver's licence).

(3) Date of Birth, Age, and Gender

Please select your date of birth in the pull-down menu. Please select your gender.

(4) Post you apply for

Please be sure to indicate which of the following posts you are applying for: Program-Specific Assistant Professor, Program-Specific Junior Associate Professor, or Program-Specific Associate Professor.

(5) Desired date of appointment

Please select the date of appointment if you are employed by the Hakubi Project. It is possible to change it during the screening process, so please let us know your current preference.

(6) Notification of Acceptance from Your Host Researcher and Host Department

A host researcher is, in principle, a researcher who has an employment relationship with Kyoto University and who takes on a mentoring role with regard to matters that need to be addressed for the smooth implementation of the research after employment, such as internal procedures and securing a research location. The host department refers to the department to which the host researchers belong and the research site within Kyoto University where you plan to conduct your research activities as a Hakubi Researcher. You are encouraged to contact the host researcher of his/her choice at the time of

application. You are required to (or it is necessary to) obtain their informal consent by the interview screening at the latest.

Please search for the name of your host researcher at the following URL and confirm his/her name and his/her title, select the name of the department to which he/she belongs, and copy and paste the e-mail address with which you have contacted.

[Activity Database of Education and Research, Kyoto University]

<https://kdb.iimc.kyoto-u.ac.jp/>

If you have obtained notification of acceptance from the host researcher at the time of application, check the 'Obtained' box. For those who have not obtained notification of acceptance by the host researcher at the time of application, check the 'Being requested' box.

In case you are in the process of negotiating with two or more professors at the point of registration, please list only one of them
